# HELLO ACE SUPPORTER!

Investing in the future of our industry is a powerful way to leave a lasting impact. By becoming a supporter of ACE Mentor Program Rhode Island (ACE RI), you'll have the opportunity to make a meaningful difference in the lives of high school students who are eager to pursue careers in architecture, construction, engineering, and the trades.

With your support, we can provide students with the mentorship, scholarships, and educational resources they need to thrive in these industries after high school. Your sponsorship will not only help us build a stronger and more resilient workforce for the future, but it will also give your company greater visibility and recognition in the community through events, marketing materials, and outreach.

We hope you will join us in creating a brighter future for our industry and community. Join us in our mission to engage, educate, and inspire the next generation of design and construction professionals. Become a supporter of ACE RI and make a positive impact that will last for years to come.

## ANNUAL SPONSORSHIP LEVELS

[Click to Donate Online](#)

By becoming an annual financial supporter, you'll have the chance to shape the next generation of professionals through mentorship, networking, and skill-building opportunities.

Plus, by supporting the program, you'll demonstrate your commitment to local students, our community, diversity, and education, all while gaining visibility and recognition as a leader in your industry. And let's not forget the potential benefits for your business, such as access to a pipeline of talented and diverse candidates for future employment opportunities. So what are you waiting for? Join us in supporting the ACE Mentor Program of Rhode Island and make a real difference in the lives of aspiring professionals.

**Additional sponsor opportunities will be counted toward a cumulative annual level of recognition.**

Annual Event

## ACE OPEN — 2024 | GOLF COURSE TBD

Get ready for a day of golf, and giving back at our brand new ACE RI Golf Outing! it will be a memorable day filled with a lot of fun, some competition, and supporting our organization. Join us on the greens as we tee off for education and industry advancement.

Annual Event

## TRADES DAY — 2024

Trades Day is aimed at educating students about careers in the construction industry. The event will provide hands-on experiences and demonstrations led by industry professionals, showcasing diverse and rewarding trades, such as carpentry, electrical work, plumbing, and more. By highlighting these opportunities, students can explore fulfilling careers after high school.
